

Our Purpose

To secure long term populations of species in natural environments while engaging the community in global conservation action.

Biology Day

A unique opportunity for senior secondary students to learn about current conservation issues and projects in Western Australia.

Please forward your completed registration form and payment to:

Biology Day
Perth Zoo
PO Box 489
South Perth WA 6951

Refund Policy: Refunds are only available if we receive notification of a cancellation seven working days before the event. Alternatively we will reschedule your booking. We are unable to offer refunds for non-attendance.

Perth Zoo reserves the right to modify the program on the day to work with changes to operational constraints.

3214NOV08

A one-day conservation conference for senior secondary students that focuses on current conservation issues relevant to Western Australia and the different control strategies being implemented. Biology Day is part of National Science Week.

Participants will:

- hear from those currently working in the field including representatives from a variety of Western Australian conservation agencies
- tour Perth Zoo's Native Species Breeding Program
- participate in hands-on conservation science workshops.

Date: Friday 21 August 2009

Time: 9:00am – 4:00pm

Please arrive at least 15 minutes early for sign in.

Cost: \$35 per person (GST inclusive)

Venue: Education and Conference Centre,
Perth Zoo

What to bring

Lunch is not provided. Please bring your own or use the Zoo's food outlets. Please wear enclosed footwear at all times and bring a raincoat in the event of wet weather.

To register complete this form and send it with your payment to Perth Zoo. A confirmation letter and receipt of payment will be mailed to you.

Numbers are limited and registrations must be received one week prior to the date of the conference.

Note to Teachers: Biology Day is subject to DET's Excursion Policy. Please visit the Zoo's website at www.perthzoo.wa.gov.au to view the Zoo's Day Visit Management Plan. Places are limited to a maximum of five participants per school and must be confirmed at time of booking. Please inform the Zoo if you do not intend to supervise your students at this program.

Individual forms must be completed for each attendee.
